## FOR IMMEDIATE RELEASE

## Winter Is Coming To Waterford *Some information and reminders.*

As residents of the Borough of Waterford we are all too familiar with the generous amounts of snow and low temperatures we receive during the course of a winter season. In order to keep our town as safe and as accessible as possible I wanted to remind everyone of a few things that will keep our town running smoothly and most importantly, safely.

### **Sidewalks**

Please remember that there is an ordinance in place that requires residents having a sidewalk on their property to keep it cleared during the winter months. The requirement is to clear the sidewalk within 24 hours of the snow letting up. Despite this being an ordinance, we should keep these walkways clear for our residents and also for our children who are walking to and from school each day. Safety is the key element here.

### **Fire Hydrants**

We have several fire hydrants within the borough, and during the winter it is important to keep these areas accessible should an emergency arise. Though it is the responsibility of the property owner to keep them clear of snow, we should all band together and make it a group effort. If you see a fire hydrant that is covered up, please take some time to help clear it out. We all can benefit from this small donation of time.

### **Parking**

Though the ordinances state that there is no on street parking from 2AM to 7AM each day, please also be conscious of parking during the daylight hours within the winter months. The Borough's Streets Department makes a great effort to keep our streets clear and open. Though not always feasible, we're asking that residents try to park in driveways as much as possible during the day, to help eliminate the need to plow around parked cars. We thank you in advance.

### **Future Information**

Please be sure to check our website ([www.waterfordboro.net](http://www.waterfordboro.net)) for future updates and any other important announcements. If there are further questions or concerns, be sure to get in touch with me.
