

Waterford / Mission Main Street Sidewalk Grant Program

Deadline to Apply: June 24, 2020

APPLICATION GUIDELINES

The Waterford Borough / Mission Main Street Sidewalk Program seeks to assist property owners in restoring or building sidewalks in order to create a more walkable downtown and promote and increase pedestrian traffic. The purpose of the Sidewalk Grant Program is to:

- preserve the small-town sociable atmosphere,
- promote safe and hazard free pedestrian traffic,
- stimulate private investment in the form of new development, redevelopment, and renovation that makes the Waterford Business District more walkable,
- foster civic pride and a sense of place, and
- increase commerce and profits, attract new businesses, retain existing businesses, attract all age groups, and encourage long-term commitments to the community.

Applicants will be required to meet with representatives of the Waterford Grant Committee prior to submitting an application and review project and budget details.

These sidewalk grants will be made on a 50/50 matching basis. Waterford Borough will provide up to 50% of the project cost as a grant with the remaining 50% of the cost being the property/business owner's responsibility. The maximum grant awarded will be \$1,500.

The Waterford Grant Committee reserves the right to consider increasing matching funding for "significant properties" such as corner buildings or anchor buildings as well as extenuating circumstances.

Grants will be made on a reimbursement basis, following a process which includes application submittal, committee review and approval, and then construction. Applicants will receive grant funds after completion of the approved sidewalk improvement project and submission of "after" project photographs, copies of invoices, receipts, and proof of payment(s).

All projects must be completed within six (6) months of grant award notification. Grant monies may not be used for permit fees, benches, trees, flowers, shrubs or any other items which would be considered part of the sidewalk service zone.

Program Boundaries:

All properties within the designated "Downtown Boundary", which is defined for the purpose of this grant as the center line of Walnut Street east to the center line of Cherry Street from the south borough line north to the center line of 5th Street, are eligible for these grant funds, provided that all improvements are in compliance with the codes and ordinances of Waterford Borough as well as Americans with Disabilities Act (ADA).

Eligibility:

Any person(s) owning property in the established boundaries is eligible to apply. Merchants located in the defined area are also eligible to apply with the property owner's written consent.

Only the portion of the sidewalk which runs parallel to the street right-of-way is eligible for the purpose of total project cost when considering grant percentage reimbursement.

Grant funding may not be used to pay for work that is currently in progress or has been completed. Corner property lots can be considered two separate projects provided the individual grants pertain to separate property lines facing a different street right-of-way.

Only one application per project may receive funding. Receipt of Sidewalk Grant funds will not exclude the applicant from applying to the Interior/Structural or Façade Improvement Grant Programs. Funding for phased projects will be considered on a case-by-case basis when compelling circumstances are presented by an applicant.

Applicants must be up-to-date and/or in compliance with all local, state and federal taxes.

Technical Assistance:

If grant funds are awarded to a sidewalk project, up to \$400 of the grant may be used for engineering services to assist with development of an appropriate sidewalk design and help acquire necessary permits. The actual cost of any permits is not eligible for any reimbursement under this program.

Prevailing Wage Act:

Because the sidewalk program is funded in part by the Erie County Gaming Revenue Authority, the Waterford Borough / Mission Main Street Sidewalk Grant Program is subject to the Prevailing Wage Act which specifies that if the entire project cost, over \$25,000, prevailing wages must be paid to construction workers.

"The Pennsylvania Prevailing Wage Act (43 P.S. § 165-1 et seq.; 34 PA Code § 9.101 et seq.) may be applicable to this Project. If applicable, the Grant Recipient is responsible for including prevailing wage rates in all bid documents, specifications, and construction contracts pertaining to the Project. The Department of Labor and Industry (L&I) has final authority to make all prevailing wage applicability determinations."

"Please note: Prevailing Wage requirements are generally applicable to grants for construction, demolition, reconstruction, alteration, repair work, renovations, build-out and installation of machinery and equipment in excess of \$25,000. Any questions as to final prevailing wage obligations should be directed to the Bureau of Law Compliance at 1-800-932-0665."

Selection Process:

Grants will be awarded based upon the degree to which proposed projects will improve the safety, walkability, and aesthetics of the downtown environment. Only complete applications will be accepted for processing.

Grant applications will be reviewed by the Waterford Grant Committee, which will be made up of five or seven individuals and include representatives from the Borough of Waterford, the Waterford community, and Preservation Erie. The committee will evaluate the completeness of information, supporting documents and compliance with the requirements of the sidewalk grant program. This review process will be completed within one month of the application deadline.

Only work approved by the Waterford Grant Committee will be eligible for reimbursement through the Waterford / Mission Main Street Sidewalk Grant Program. Project work may not begin until the property/business owner receives written approval from Waterford Borough.

Once an application is approved, but before work may begin, the applicant must submit a work schedule for the approved project. All projects must be completed within a designated timeframe, agreed upon by the grantee and Waterford Grant Committee. If work is not completed in the agreed timeframe, all grant money will be forfeited. If unforeseen circumstances occur which delay the project, exceptions may be considered.

Approved projects are required to meet all applicable codes and ordinances of the Waterford Borough. Grantees are also required to secure any necessary permit(s) from the Borough or other appropriate parties before work can commence. Grant approval does not constitute nor forgive any permit requirements or approvals.

Required Documentation:

Applicants must supply one (1) copy of the following items with the completed Waterford / Mission Main Street Grant Program Application.

- A complete, detailed written description of the proposed project
- A plot diagram showing location of buildings, streets and sidewalk
- Complete project cost estimates from contractors and/or material suppliers
- A detailed work schedule, which includes an estimated project completion date
- Proof of financial responsibility (current on all municipal, school district and county taxes)
- Matching fund verification
- Signed Hold Harmless Agreement (if applicable)
