Zoning Duties

Tim E. noted that our Zoning Officer left our employment, leaving us four weeks behind on permits, etc. Tim noted that if we appoint the duty to an existing employee, it would happen tonight and take effect immediately. If we chose to create a position, it would need to be defined, accepted by Council and advertised. This process could take up to 3 months.

Garry Sargent stated that if we could get training for Corey, and he was willing to do it, he could be a good candidate. When we hire another full time employee, they could also do zoning. Mayor Chad French recommended we have Scott Driscoll be the Zoning Officer, with Corey Patterson as an assistant.

Beth Weldon asked a few questions and discussion was held. Ed Betza has agreed to pursue putting together a Zoning training.

Tim (TJ) LaFlamme motioned to appoint Scott Driscoll as Zoning Officer and Corey Patterson as Assistant Zoning Officer as of June 29th, 2020. Garry Sargent seconded the motion. All in favor, motion carried.

Discussion was held concerning hours, suggestions that it be moved to 12 hours a week and possibly using the Boro truck to do rounds instead of paying mileage.

Judy Cline motioned to adjourn the meeting, Garry Sargent seconded the motion. All in favor, meeting adjourned at 7:25pm.
